DID YOU KNOW?

Our Library has hotspots you can borrow to connect to the internet from anywhere. TMobile has a signal. Use one at the cabin, on a road trip, camping, or anywhere you need to stream, check email, use social media, etc.

We also have laptops and Chromebooks for use in the Library or for checking out.

ADULT WINTER PROGRAM STARTS JANUARY 2!

“Travel” through the State Parks of Northern and Central Minnesota by reading, listening, walking, or snowshoeing. For every four books and/or 20 miles, your flag moves on to the next Park.

Receive an insulated tote for the first card turned in, and for every card turned in, your name will be entered into a drawing for local gift cards. Have fun!

The Hoyt Lakes Library will start a Sit & Stitch group for the new year. If you would like to get together with others during the afternoon at the library to work on a project you have, and socialize with others, we invite you to join us.

Watch for a date in the January 2024 newsletter.
