~BE KIND~

Always be kind.

If you see someone falling behind, walk beside them.

If someone is being ignored, find a way to include them.

If someone has been knocked down, lift them up.

Always remind people of their worth.

Be who you needed when you were going through hard times.

Just one small act of kindness could mean the world to someone.

The Hoyt Lakes Library is looking to start a Sit & Stitch group. We are looking for people who knit and crochet and would like to get together with others during the afternoon at the library to work on one's own project and socialize with others.

Stop by the library to pick up a take and create bookmark kit starting Nov. 1st. Save it then join us at the library on Nov. 16 at 10:30 am where we will make this kit as a group. Coffee, treats, and fellowship will be provided.
